

BIN BALLS.

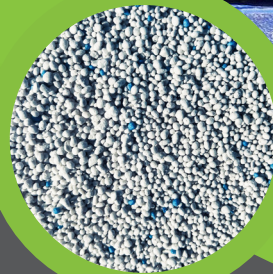

*It takes balls to fight dumpster
and bin odours!*

*“Game-changer”,
“Far superior to anything else”*

*These are just some of the things people are
saying about Bin Balls, the revolutionary new
granular odour neutralizer from Bektra.*

Made in Canada, Bektra’s Bin Balls offer triple-
action performance:

- ✓ Proven odour neutralizing technology for instant results
- ✓ A secondary burst of scent on contact with liquid
- ✓ Effective absorption without dissolving, clumping or becoming mush

Upcycled from
post-consumer waste

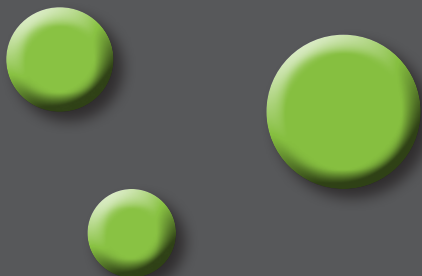

Non-toxic
& safe

Easy to use
& to clean-up

Most lightweight
in the industry
