**UNLOCK NEW
REVENUE WITH
VESERIS &
CAHABA SNAKE TRAPS**

Add snake protection to your services, providing customers with peace of mind while creating a profitable new recurring revenue stream for your business.

High Margin Upsell Opportunity

- Include snake abatement in your monthly treatment packages.
- Technicians can inspect, replace, and reset the Cahaba Snake Trap’s catch inserts during regular visits.
- Position this service as an easy upsell to increase monthly revenue while addressing a major safety concern.

Why Snake Protection Matters:

Venomous snakes pose a serious threat to families, pets, and property. Adding snake abatement to your services allows your company to:

- Prevent Human-Snake Encounters: Safeguard your customers' homes and loved ones.
- Offer Added Peace of Mind: Show your customers you’re thinking ahead about their safety.
