

Introducing:

TOOL ONLY SPRAYERS

Our best-selling sprayers are now available without the battery and charger in the box, at a cost savings.

All TOOL ONLY sprayers include QuickSwap™ adapters so that Milwaukee®, DeWalt®, Makita®, or Bosch® battery packs* can be used.

**Batteries and chargers are sold separately.*

QUICKSWAP™ BATTERY ADAPTERS

Easily switch between battery platforms with the all-new, specially-designed QuickSwap™ battery holster adapter system. It takes only minutes to install on to your sprayer. Spray using 18V or 20V batteries from any of the five brands:

**FlowZone® • Milwaukee® • DeWalt® •
Makita® • Bosch®**
