VESERIS™

SUSPEND®
Contact & Residual Aerosol

Ensure every crack and crevice is covered

The targeted nature of an aerosol makes it uniquely suited for reaching cracks and crevices – giving pests no place to hide. Available in discreet sizes, this convenient aerosol comes already mixed and ready to use in any confined space.

Long-lasting results

- + Protects against German and American cockroaches and Argentine ants for up to 18 months*

Speed

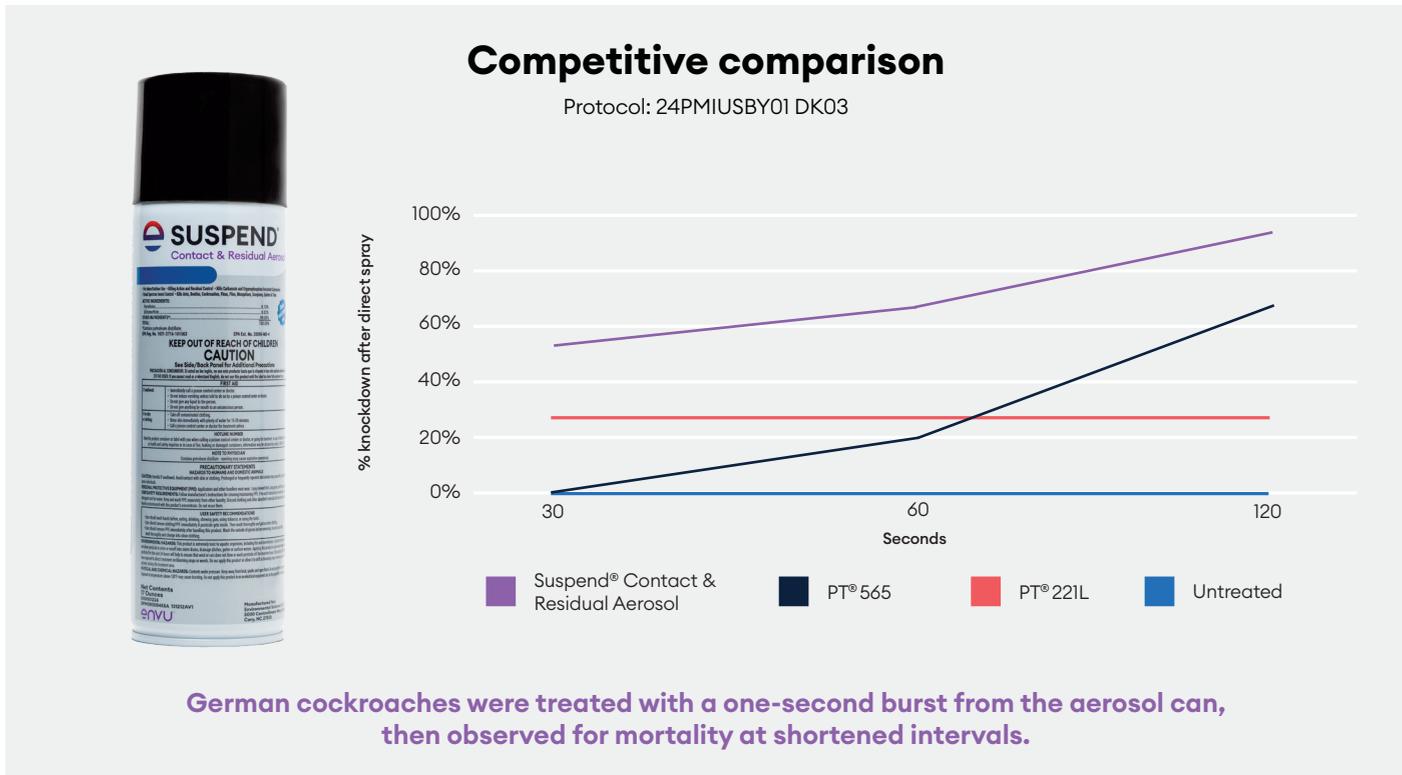

- + Fast-acting with immediate results – mortality in just 30 seconds
- + The only deltamethrin aerosol with the fast action of pyrethrin

Precision

- + Nozzle technology allows the product to be applied exactly where it's needed
- + Approved for food-handling establishments

Control a range of hard-to-reach pests

- + Cockroaches
- + Ants
- + Ticks
- + Spiders
- + And more
