GOLF TURF
 GREENHOUSE & NURSERY
 LAWN & LANDSCAPE ORNAMENTALS
 SPORTS TURF

<sup>1</sup>The qualifying product rebate is based on the total units purchased during the program period.

<sup>2</sup>Spectro 90 is not labeled for residential, commercial or public turfgrass or sod production.

Not all products are registered in all states.

## Requirements and Payments

Rebate offers are exclusively available for qualified end-user turf management professionals and greenhouse or nursery growers who purchase from authorized Nufarm distributors. Please note that end-user customers can only participate in one Nufarm incentive program for the invoiced products. This offer is not valid for Nufarm distributors, dealers, or any resale entities. Additionally, products purchased under this program cannot be resold for rebate eligibility.

To qualify for rebate payments, a minimum cumulative purchase of **\$1,000** is required during the program period. Please be aware that rebates cannot be issued for returned products. Products must be purchased and shipped from your Nufarm distributor during the program period March 1, 2025 through April 30, 2025.

To participate, please enroll in **Nufarm Edge Rewards**. If you have previously registered, there is no need to sign up again. To verify your account and loyalty number, kindly fill out the online registration form at **NufarmRewards.com** using the same email address you registered with, and your account details will be sent to you via email. If you are not yet a member, please sign up before **April 30, 2025** at **NufarmRewards.com**.

Rebates will be issued for qualifying products based on sales reported to Nufarm by authorized distributors during the program period. Rebates will be credited to the selling distributor's account after **June 30, 2025**, along with any Nufarm Edge Rewards EOP rebates. Although this program is separate from the Nufarm Edge Rewards EOP program, both will be processed together as a single distributor credit. Please note that the selling agent may deduct a processing fee from the credit amount.
