

Double Up Savings on EverGreen® ULV: Exclusive Stock-Up Offer

EverGreen® ULV 5-25 products are designed to kill adult mosquitoes that may carry infectious diseases. The botanically based pyrethrum in the EverGreen 5-25 products is a contact insecticide synergized to combat metabolic resistance.

EverGreen ULV products provide effective options for professional-grade mosquito control.

- **EverGreen® ULV 5-25 Air** is formulated with a higher density solvent for improved drift control and aerial targeting.
- **EverGreen® ULV 5-25 Ground** is an oil-based formula with the ability to adjust AI concentration while prolonging application tank stability.

Limited Time Offer to Stock Up and Save!

Stock Up & Save: Buy two 55-gallon drums of EverGreen 5-25 Ground or Air, get one 5-gallon pail of the same product free.
