TAURUS® TRIO G

2024 Municipal Support Program

January 1 - December 31, 2024

Buy two bags of Taurus Trio G and get one bag free at any participating distributor location. Distributor provides free goods at time of delivery.

Qualifying sales are to Federal or State funded sites including schools, parks and other municipal areas.

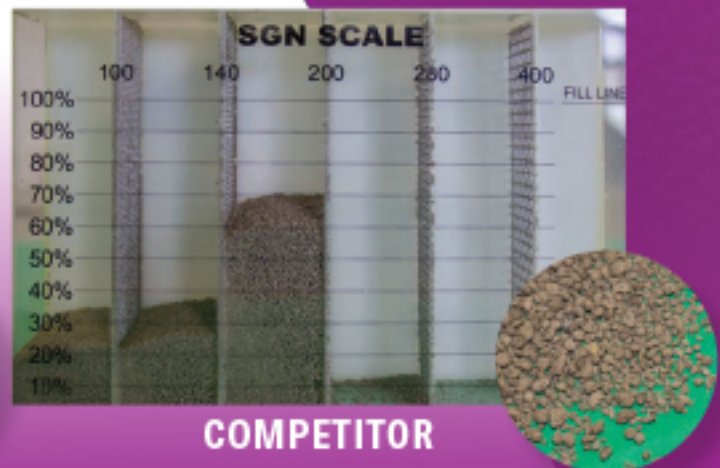

FEATURES AND BENEFITS

1. Taurus Trio G controls of active Imported Fire Ants in 2-3 days while still giving season long control. Through our Combination Chemistry®, Taurus Trio G combines 3 active ingredients into one easy to spread particle.
 - Lambda-Cyhalothrin & Bifenthrin - Offers quick initial knockdown and control of active established mounds
 - Fipronil - Contains the same load rate as the competitive product that offers season long control
2. More uniform particle that offers superior product distribution.
