

TRADE-UP: DUMP THE PUMP

Save 10% on select models May 15 through August 15, 2025

Upgrade to Battery-Powered Spraying!

Ditch your old, manual pump sprayers and say goodbye to arm fatigue and inconsistent spray patterns with the purchase of a new Lithium-ion sprayer.

Battery-powered sprayers provide even, consistent spray pressure and precise application at the squeeze of the trigger. Upgrade to make your technicians more efficient today!
